Mission, Vision & Core Values

Our Services

Who We Are

Fushia Movers is a logistics company that specializes in offering moving and relocation solutions to organizations and individuals who would like to move from one house or office to another both locally and internationally.

Mission

To raise marketplace leaders and to create jobs in every sector of the economy we are engaged in.

Vision

Be the #1 Relocation Service Provider in Kenya By Market Share.

Core Values

1. Happy People
2. Punctuality
3. Integrity
4. Problem-Solving
5. Excellence

OUR **SERVICES**

1. Office Moving

We offer both employee relocation & office moving services that are tailor-made to support your employees and colleague's needs during the entire moving process. Our diligent move planning goes ensures you enjoy seamless relocation and very minimal down-time.

2. International Moving

International relocation has revolutionized over the years, with major and more routes discovered to enhance connectivity to various parts of the world ensuring more practical shipping solutions. Our relocation service will move you across the world on a door-to-door basis.

3. Storage Moves

Need to store your household or office items temporarily as you travel locally or abroad for work? Our secure and spacious warehouses offers your items the care they need while guaranteeing you peace of mind.

Move Your Pets In Style

Whether it's your Cat, Dog or any other pet you may have they deserve the very best of care when moving.

Move Your Dog in Style 😊

Move Your Cat in Style 😊

4. Special Projects

This is where we move large, heavy or irregularly-shaped items & consignments by road, sea or air. If you're moving Cars, Generators and Sensitive Machinery & Equipment, our logistics management team will assess, manage the end-to-end delivery process while giving you periodic updates guaranteeing you peace of mind.

5. House Moving

Moving across the country, to the house next door or the neighboring apartment block? Our team of experienced, professional and well trained movers have your back.

With the understanding that every move is unique, our staff are well trained to ensure you get the right guidance, facilitating a seamless moving experience from the consultation stage all the the way to move comple-
